

## About QTech Australia

**"INNOVATION, CONTINUOUS IMPROVEMENT, ABSOLUTE QUALITY AND TOTAL COMMITMENT"**

**QTech Australia delivers cost-effective, end to end water treatment solutions - we specialise in waste water, recycling, purification and compliance.**

**"Our purpose is to make dirty water clean"**

We create unique water processes for each of our clients, delivering fully integrated systems that work, every time.

We aim to deliver the best, most cost-effective solution - from traditional design and construction, to fast-track approaches.

- o Our work is guided by industry standards and regulations
- o Our work is unique to each of our clients
- o Our work is 100% guaranteed
